5. Notes and Caveats

This file was built on 22 November 2026 in the same format as the Company H reports, directly from the checked, page-cited transcriptions of the 2nd Battalion, 5th Marines command chronologies. The notes below record its sources and where the record is thin.

1. SOURCE. The entries come from 2/5 Command Chronology Jan 1969 (Texas Tech University Vietnam Archive item 1201048111).

2. HOW IT WAS COMPILED. Every entry in the research database whose units name Company G (Golf) for January 1969 is listed in date and time order, with the page of the chronology it was read from. Entries that name only another company are left out.

3. COMMANDER. Company and battalion commanders are taken from the monthly organisation data (Section I of each chronology) as recorded in the battalion leadership ledger.

4. CASUALTIES. Casualty figures are not totalled here. Individual losses appear in the entries as recorded; for authoritative totals see the casualty tables in the original chronology.

5. ORIGINALS. National Archives and Records Administration, Record Group 127, Records of the United States Marine Corps. For full records contact National Archives II, 8601 Adelphi Road, College Park MD 20740, or Marine Corps History Division, Quantico VA 22134.
