5. Notes and Caveats

This file was built on 22 November 2026 in the same format as the Company H reports, directly from the checked, page-cited transcriptions of the 2nd Battalion, 5th Marines command chronologies. The notes below record its sources and where the record is thin.

1. SOURCE. The entries come from U.S. Marines in Vietnam · An Expanding War, 1966; 2/5 Command Chronology Oct 1966 (Texas Tech University Vietnam Archive item 1201048074); Bill Kindred, Location of Bases in Vietnam (list of bases, airfields and landing zones with grids).

2. HOW IT WAS COMPILED. H&S 2/5 is recorded in the chronology under several names: H&S, H&S (Bn CP), Bn CP, the 106mm section and the S-2 and S-5 sections. All are combined here. Because H&S was the battalion headquarters, every battalion-level entry not tied to a rifle company is included too. Entries are listed in date and time order, each with the page of the chronology it was read from; entries naming only Echo, Foxtrot, Golf or Hotel are left out.

3. COMMANDER. Company and battalion commanders are taken from the monthly organisation data (Section I of each chronology) as recorded in the battalion leadership ledger. No commander of H&S Company is named for this month.

4. CASUALTIES. Casualty figures are not totalled here. Individual losses appear in the entries as recorded; for authoritative totals see the casualty tables in the original chronology.
