#### PART II

#### HARRAMIVE SUMMARY

Activities for June 1970 showed a considerable decrease over the previous month. The Battalion continued to provide security for Liberty Road and Liberty Bridge Combat Outpost. Company size Recomnaissance in Force operations were conducted in the Arizona, Phu Nhuans, and Go Noi and Le Bac Island areas. Contacts and sightings decreased during the month as compared to the previous period with a resulting decrease in fire missions called. For the second consecutive month, Battalion (-) cordon and search operations were employed with excellent success. In addition a number of tank/infantry operations produced good results also. Since mines and boobytraps continued to plague the Battalion and accounted for most of the casualties, training emphasis was placed on preventive measures.

Within an hour and a half the cordon was established and a detailed, methodical search was conducted in the many hedgerows and dense bamboo thickets in the village area. Results of the 48 hour search were 3 VC/NVA KIA's and 22 FOW's.
