## 2015 REUNION, NASHVILLE, TN

### The 2015 reunion is set for November 5th through the 8th in Nashville Tennessee.

**Plans are being formulated for this** year's reunion to be held in Nashville, Tennessee. Keeping with the format of rotating locations on the west and east coasts and central US, we have opted for the home of country music as the location for November 2015. Nashville's airport provides for nonstop flights from both the east and west coast. *THE HOLIDAY INN OPRYLAND/ AIRPORT,* has a shuttle to and from the airport for those who do not intend to rent a vehicle for the event.

The hotel is offering a great rate for our group along with a venue for our meetings and get-togethers. Arrangements are being made for a meet-n-greet on Thursday, a group event, and a banquet on Friday and Saturday. This will still leave time for your own adventure time to see the sights in and around Nashville.

Included as usual will be "Hotel Company Wine", Company Coins for first time attendees, and commemorative T-shirts.

**Costs for the event are still being adjusted.** Rooms will be about $106 per night. The cost per Marine/ Corpsman and guests will be forth coming shortly. Mark your calendars now and start your plans to attend.

## Monthly Newsletter

I have decided to try a monthly newsletter to keep in touch with everyone. I am hoping for the best and anticipate getting it out around the first of each month. Partly because I think it is something that is needed and partly because in this format I can add various articles as they pop into my head and or I receive info from others that needs to be passed on to everyone.

If you have information that you think is of interest, be sure and let me know. My internet at home was down for some time, but, thanks to my daughter, is now up and running again.

I have a bunch of stuff that I will get together. Some will be repeats of past emails that may or may not have reached everyone. I am looking for feed back on this newsletter idea. If you have any thoughts or criticism please let me know.

# Hotel Web Page Up

**Larry Tyler has our web site up and running. If you haven't seen it yet give it a once over.** You can find the web page at:

http://hotel25vv.org/

**Contact Larry with your photos, articles, and information.** If you have photos be sure and get them to Larry for posting. If you wander around the site you can see that he has the format for various themes and concepts that will enable Hotel to communicate our thoughts, ideas and concerns. It is also a great place to share and or get information about benefits.

**Contact Info.** Get your contact information into Larry. He can add you to his email list providing a central hub for staying in contact with each other. It is also a good idea to keep me advised of your current email address at the same time. Between the two of us we can keep you all updated with the latest info and the reunion details..
