Dear Mom & Dad,

23 JAN 69

Here I am again. I spent half a day putting AMMO in a bunker. The rest of the day I spent carrying SAND bags and building bunkers. We're suppose to get hit real hard here pretty soon. I get to go out in the bush in a week from now and stay out there 40 days or so. My company got hit bad today. Some died, others wounded. I won't mention numbers. Things just don't look good here in AN-HEH.

I realized that I forgot to send you a picture of me in a Marine notebook. Well here's one for both of you to put in your wallets.

I've started a new theme while I'm over here in Vietnam. It's called "PRAY FOR PEACE." I'm encouraging everyone to get on their knees and to pray for peace. As far as I'm concerned that's the only thing that is going to solve this war over here.

So daily pray that peace may come to Vietnam. Peace that will bring

back was to a country that knows nothing but hate and war. My heart really aches for these people. I wish I could do something for them. I know now that being a missionary is very rewarding.

Please mail me Pastor Back's address and also send me Rex Tyler's address. You might want to include Grandma Tyler's address too.

I want to write Sharon too so if you have her address I'll write her too. I want a lot of mail so I'll write my cousins and hope they'll write to their cousin who is overseas in Vietnam.

Well I'll close for now. Write soon and as often as you can.

Love,

Larry

P.S.

Pray for peace in U.N.

L
