Dear Gary,

Tomorrow night at this time I'll be aboard a Boeing 727 heading for Darwin, Australia and then to Sydney. I'll send you a telegram as soon as I get there.

It's so boring laying around waiting to be processed out of country. Just think, if he from now I'll be out of the war zone for a week. That alone eases pressures.

I'll be sure and write to tell you everything I did on R&R in Sydney. It's quite a place so I hear. A lot of girls. The Vietnamese phrase used would be "Boochoo"!

I went & bought 3 shirts and one pair of trousers, guess what, they didn't fit! I now wear 33-31!

I'm really hip about the new "Monte Carlo" that Chevrolet has put out. I think I'll buy it when I get home, only I'll have to wait a few months before I can buy it.

I saw the Christy Minstrels in person today at the USO show here in DaNang. They sing pretty good.
